Action required: Update information you hold about GlaxoSmithKline Consumer Healthcare New Zealand ULC

Important: You must update information you hold about Haleon for GlaxoSmithKline Consumer Healthcare New Zealand ULC (the "Company"), so your future invoices are not rejected

Dear Haleon Supplier,

In July 2022, GSK successfully demerged into two new companies, one of which is [Haleon plc](#), a consumer healthcare company 100% focused on everyday health. Haleon values the ongoing partnership with you following the demerger.

This letter details important changes that you MUST action so your invoices are not rejected, and you are paid on time.

We strongly encourage you to share this message with your wider team, including with Ordering, Finance and Accounts Receivables departments, to avoid any impact to business continuity and payment of invoices.

What is the change?

GlaxoSmithKline Consumer Healthcare New Zealand ULC:
Changes to Company legal entity name and registered office address

As a new standalone group, all GlaxoSmithKline Consumer Healthcare legal entities are now part of the Haleon group of companies.

For New Zealand, where you operate, there are 2 important changes to know:

- 1) The Company's legal entity name has changed from **GlaxoSmithKline Consumer Healthcare New Zealand ULC** to **Haleon New Zealand ULC**
- 2) The Company's registered office address has changed from **Level 2 E.2 12 Madden Street, Auckland Central, Auckland, 1010, New Zealand** to **Level 1, Suite 1.04, 12 Madden Street, Wynyard Quarter Auckland 1010 New Zealand**

Effective **from 19th November 2022**, you must use the new legal entity name **AND** registered office address in all new relevant documents you send to Company e.g., on invoices, contracts etc...

Please note:

- For a period of time, you may still see our old GSK logo alongside our new Haleon name - we are in the process of updating our tools, templates and systems, so please bear with us whilst we fully implement these changes.
- There will be no changes to the company registration/business number (NZBN).

What do you need to know?

- **Active Purchase Orders and Contracts** issued to or by the Company under its previous legal entity name and registered office address will remain valid, and no action is required on these.

- Invoice submission:
 - As a reminder, if you submit invoices via email, the email address has changed in April 2022 and could undergo additional changes in the near future. Please check the [Vendor Portal](#) for the most up to date information.
 - If you use the **Tungsten** e-invoicing service, you should continue to do so. When submitting your invoices on the Tungsten Portal, you will continue to select the Bill To entity; please search for 'Haleon' and select the new legal entity name from the drop-down menu.

Note the name will now be different, but the registration number you use that begins with 'AAA' will be the same as you've used before this legal entity name change.
