Important: Update information you hold about Haleon

HALEON

Action required: Changes to the legal entity name and registered office address for **GlaxoSmithKline Consumer Healthcare AB** ('the Company')

Dear Haleon Supplier,

As you may know, in July 2022 we completed our demerger from the GSK Group to form Haleon, an independent company 100% focused on everyday health. Our leading brands are built on science, innovation and human understanding and are trusted by millions of consumers globally. All GlaxoSmithKline Consumer Healthcare legal entities are now part of the Haleon Group and we're updating their names so they reflect our Haleon branding and independence.

This letter details important changes that you must action so your invoices are not rejected, and you're paid on time.

In Sweden where you operate, we would like to inform you that our legal entity name and registered office address have now changed.

Effective from 15th April 2023:

1) The Company's legal entity name has changed from:

GlaxoSmithKline Consumer Healthcare AB to **Haleon Sweden AB**

2) The Company's registered office address has changed from:

Hemvärnsgatan 9, 171 54 Solna, Sverige, Sweden to **Gävlegatan 16, 113 30 Stockholm, Sweden**

From today, please use the new legal entity name AND registered office address in all new relevant documents you send to the Company, including invoices and contracts.

Please note, there's no change to the company registration number or VAT number.

Below you will find a summary to help you make the required system and documentation changes. Please also share this update with your wider teams, including Ordering, Finance and Accounts Receivables, and any 'Tier 2' suppliers who may not have a direct relationship with us, so they're aware of the required changes.

Thank you for your continued support and understanding as we make these important updates. If you have any questions about our legal entity name change, please email the team at legalnamechange_procurement@haleon.com. For queries about invoices or payments, please go to our [Haleon supplier portal](#) or contact your local [Purchase-to-Pay Help Desk](#).

Haleon Project Team, Sweden

Changes required: Effective from 15th April 2023

Please update relevant system and documentation as soon as possible, so they reflect the Company's new legal entity name, new registered office address and correct email/postal address for invoice submission:

Haleon Sweden AB Gävlegatan 16, 113 30 Stockholm, Sweden

We've listed the 4 areas below where you'll most likely need to do this:

1. Quotations / Offers / Delivery slip templates

From today, all new quotations/offers/delivery slip documents relating to your supply of goods and/or services to the Company must now be addressed to the new legal entity name and registered office as stated above.

2. Invoicing templates

From today, to facilitate the prompt payment of your invoices, all new invoices relating to your supply of goods and/or services to the Company must now be issued to:

Haleon Sweden AB
Gävlegatan 16, 113 30 Stockholm, Sweden
SE556767988001 (VAT number)

The Company will need to reject and return any invoice that does not have the correct information e.g., incorrect legal entity name, Purchase Order number. The Company will not be responsible for any payment delays due to incorrect information provided on invoices.

3. Invoice submission

- As a reminder, if you use **Iron Mountain** to submit invoices, the addresses changed in April 2022. Here are the links to the correct Company [email address](#) (for PDF) or [PO Box](#) (for paper). Invoices sent to the old email addresses or PO Boxes will be rejected and you will need to re-send them to the new email addresses or PO Boxes.
- If you use the **Tungsten** e-invoicing service, you should continue to do so. When submitting your invoices on the Tungsten Portal, to select the Bill To entity, please search for 'Haleon' and select the new legal entity name from the drop-down menu. Please note, while the name will now be different, the registration number you use that begins with 'AAA' will be the same as before.

4. Data breaches

If there are any data breaches, as referenced in your contract with the Company, these should now be reported immediately to cdir@haleon.com instead of cstd@gsk.com.
